Customer Success Manager

Customer Success Manager with 5 years of experience working directly with customers to provide assistance and support; proven expertise in handling customer concerns for 20+ international clients. I excel in leveraging deep customer insights and data analysis to drive satisfaction and product adoption. My track record includes reducing churn, negotiating renewals and increasing account value.

WORK EXPERIENCE

Onit

Solution Engineer-II | Dec 2025 - current

- Managed and grew relationships with a portfolio of enterprise and mid-market clients by acting as a trusted technical and strategic advisor throughout the campaign lifecycle.
- Owned internal communication between product, engineering, and business teams to ensure alignment on client objectives, campaign performance, and delivery timelines.
- Managed multiple client accounts simultaneously in a fast-paced startup environment while maintaining high attention to detail and consistent service quality.

Solution Engineer | Aug 2024 - Dec 2025

- Provided technical configuration and customization of client solutions based on business needs.
- Thrived in a fully remote, cross-functional environment by maintaining accountability, clear documentation, and consistent communication with distributed teams.
- Built strong client trust through active listening, negotiation, and consultative communication, resulting in improved client engagement and repeat business.

Networkrx

Customer Success Manager | Nov 2022 - Aug 2024

- Led end-to-end client onboarding and campaign execution by gathering, validating, and organizing client assets, ensuring smooth and timely deployment of solutions.
- Developed and implemented comprehensive training programs tailored to individual client needs, facilitating a deep understanding of the system functionalities.
- Provided exceptional support to international clients, addressing inquiries and resolving issues promptly to maintain high levels of satisfaction.
- Supported 5+ client accounts concurrently while maintaining SLA compliance and high customer satisfaction scores.
- Collaborated closely with the CEO and other stakeholders to identify potential business opportunities and align customer success initiatives with overall company goals.
- Acted as a liaison between clients and internal teams, advocating for customer needs and influencing product development and improvement efforts.

iAastha Technologies

Lead generation | Dec 2021 - Aug 2022

- Lead Generation:
 - Utilized various online sources to identify potential leads.
 - Targeted startups seeking solutions and effectively communicated value propositions.
- Sales Support:
 - Engaged in discussions with potential clients to understand their needs.
 - Provided assistance in identifying suitable SaaS solutions for clients' requirements.
